Welcome to the JLC family!

Thank you for taking the time to learn more about John Leggott College. We hope to provide you with an insight into our unique provision with over 50 years experience supporting students to achieve their dreams and ambitions. I am very proud that learners travel from all over the world to study at John Leggott College. Our mix of learners truly make us a unique place to study.

We have one of the widest range of courses to study in the region, with A Level, T Level and BTEC Level 3 courses available. These qualifications in turn will provide students with the essential keys they will need to progress on to their chosen pathway or indeed, keep options open if students are currently undecided about their future goals. 8 out of 10 completing JLC learners achieved A*- C grades or equivalent in 2024. These results are enabling our students to progress on to Oxbridge, Russell Group universities, degree apprenticeships and the workplace.

JLC produces the accountants and lawyers, actors and musicians, medics, dentists and vets, psychologists, journalists, film makers, teachers and fashion designers of the future as well as many others. Your young person can be one of them!

John Leggott is more than academic success. In supporting students to fulfil their ambitions, we excel and pride ourselves in providing a weekly enrichments programme, ranging from photography, journalism and chess, to a full range of competitive and successful sports teams. Many of these opportunities are run by students for students in addition to our enthusiastic staff.

Our students are encouraged to be outward facing. We take them out of the classroom to experience the world of work and enhance each students subjects through our extensive range of trips and visits. This year our students have had the opportunity to travel to places such as Malta, Italy, Dubai, Portugal, Germany and Poland to name a few.

We look forward to supporting your young person this year at John Leggott College.

Leon Riley
Principal & CEO

OUR FACILITIES

John Leggott College is proud to be one of the longest standing sixth form colleges in the country! While our campus has been here for over 50 years, it continues to adapt to meet the needs of our students.

With over 4 million pounds invested into renovation, our impressive facilities include state-of-the-art equipment to ensure students have everything they need to achieve their goals.

John Leggott College prides itself on its ability to offer students a wide range of social spaces to enjoy, giving them plenty of opportunity to find a place to relax, eat or study.

We have two fantastic dining options which cater to most dietary requirements along with the always popular Costa Coffee!

Wi-fi is enabled throughout the campus so students can check your emails, browse the internet, watch videos and listen to music.

SPORT AT JLC

We offer an open access sports provision with dedicated training periods and playing opportunities for students of all abilities.

Whether you would like to study sport, join a sports team or participate in any of our additional accredited programmes; we have something for everyone who has an interest in Sport.

Our performance based sport consists of:

- FOOTBALL
- RUGBY
- NETBALL
- BASKETBALL
- VOLLEYBALL

WE ARE PROUD TO BE AN ACCREDITED TASS CENTRE

The TASS careers programme supports our learners with additional bespoke workshops and trips to partner universities. It can open opportunities for learners in their progression, including potential scholarships and reduced fees at Higher Education.

WE WORK WITH THE EFCA

To develop the workforce by providing our students with the opportunity to join a youth leadership programme, empowering them to enhance their employability skills.

ESPORTS AT JLC

JLC Steel, the college Esports teams currently compete in Rocket League, League of Legends, Valorant, FIFA and Overwatch. The Overwatch team coming in the top 16 in the college Esports championships! The team is open to all students and we encourage them to try out and play for the college!

ENRICHMENTS, TRIPS & VISITS

Enrichments are a fantastic way to meet new people, gain wider experiences and even learn new skills! Our Enrichment offer includes extracurricular activities such as our clubs & societies alongside curriculum based enrichment like Upskill and Aspire. Your young person will automatically be enrolled into an Upskill session each Wednesday afternoon, giving them real life insight into their chosen career pathway. Aspire is available to students who are interested in applying to Oxford/Cambridge, or would like to become a Medic, Dentist, Vet or Teaching Professional.

As well as getting involved in activities during the college day, there are lots of opportunities for students to see the world! We have a number of international trips running throughout the year. Ensure that your young person regularly reads their emails to keep up to date with what's happening in college!

“

HAVING THE OPPORTUNITY TO TAKE PART IN AN INTERNATIONAL TRIP

Visiting Malta was such a fun and unique experience. We were immersed in the culture, with informative tours and well organised daily activities. It was such a good way to spend time with friends and get to know other students. I really liked having the independence and taking part in things I would never usually have the opportunity to try!

ERIN TAYLOR

School - Winterton Community Academy

”

SOME OF THIS YEAR'S ENRICHMENTS

We have a dedicated space in college for students to take part in daily enrichments. Students can head upstairs in the ARC at anytime to join in!

For scheduled enrichments, we share information with students via tutorial each week so they can stay up to date with what's happening. Information will also be shown on the screens around college.

ASPIRE TO APPLY TO OXBRIDGE OR BE A MEDIC, DENTIST OR VET AT JLC

John Leggott College has record numbers of up to 60 students with high aspirations of applying to Oxford and Cambridge, becoming Medics, Dentists and Vets. In addition, students are inspired to become the next cohort of teachers, lawyers, accountants and police officers as well as actors, musicians and dancers. You can be part of the next generation of high aspirational students at JLC.

In order to support you to become a professional, we have bespoke support packages, which comes under the umbrella title of A*spire. A*spire is a unique and enabling programme which runs alongside with your main academic and vocational courses.

"It is a pleasure to work with such talented and inspirational young people to help them progress on to the next step in their exciting personal, academic and career pathway. Oxford and Cambridge offer a world class education and the competition for places is intense. The support programme which we offer at John Leggott is intended to ensure that our students have both the skills and the confidence to apply and compete as equals."

"I really enjoyed my time at John Leggott College. The support from the Oxbridge team has been amazing! I can never thank them enough. I am very nervous about starting at Oxford to study Biochemistry, but also ecstatic and I cannot wait for the future!"

WE ARE HERE FOR OUR STUDENTS

Learning Support Team

Our Learning Support team provide essential pastoral and academic support to students with additional needs. This enables students to gain full access to the curriculum alongside participating in wider college activities. In addition, learners with an EHCP can access assistance with in-class support and subject note taking.

Progress Tutors

Progress Tutors are the first point of contact for students in college and as a team we aim to remove any barriers to learning so everyone is able to achieve their academic goals and progression routes by offering study skills support, wellbeing support and guidance on reaching your progression goals.

Student Services

We are here to help you with any issues you face at college. We can support with transport, financial support, absence procedures, references, exam certificates, plus a whole host of other issues that may crop up during your time at college.

Financial Support

We aim to ensure that financial issues do not stand in the way when it comes to studying at JLC, therefore we offer a range of financial assistance. If you would like more information, scan the QR code above.

www.leggott.ac.uk/financial-support

Safeguarding

It is important that students feel safe, supported and happy during their time at college. Within college we have a dedicated safeguarding team to make sure that students are mentally, emotionally and physically healthy. Where appropriate the team liaise with external agencies to ensure that we offer the correct support and advice to all students based on their individual needs.

Wellbeing

Within college we have a dedicated wellbeing team who help to make sure that students are mentally, emotionally, and physically healthy. The team work closely with the students, teaching and pastoral staff to ensure that students are supported to deal with any problems they have.

THE LEARNER PATHWAYS TEAM

The Learner Pathways Team are a pivotal part of the whole Leggott experience. From initial application to next steps beyond JLC, the Learner Pathways Team will help students to achieve their hopes, dreams and aspirations.

THE TEAM SUPPORT WITH:

- **SCHOOL LIAISON ACTIVITIES**
- **INTERVIEW SUPPORT**
- **EMPLOYMENT APPLICATION SUPPORT**
- **WORK EXPERIENCE OPPORTUNITIES**
- **UCAS SUPPORT**
- **TAILORED IMPARTIAL CAREERS ADVICE**
- **ENRICHMENTS**
- **OXFORD & CAMBRIDGE SUPPORT**
