

ACCESSING LESSONS FROM HOME: *OUR STUDENT EXPECTATIONS*

1

CAMERAS & MICROPHONES:

Your **camera should remain on** for the duration of the lesson and you communicate primarily **via your microphone**. This has many benefits in relation to improving your engagement with lessons and helps maintain group dynamics whilst working from home. You can 'blur' or change your background whilst working from home to ensure your privacy via Meet Settings in the bottom right side of your Meet

2

BEING PREPARED:

It is expected that you are fully prepared and access any key materials in advance and ensuring you can access them during the lesson. Make sure you are in a suitable place at home where you can engage in the lesson, make notes and complete any activities set without disturbance. Make sure you complete any pre-lesson activity fully, to make good progress in the lesson.

3

BEING ENGAGED:

Make sure you ask questions where you need clarity, engage verbally with your teacher when asked, work with your peers during class activities and submit work regularly, as requested. You will have the opportunity to work collaboratively with your peers whilst working online - take this opportunities to develop your knowledge and skills.

4

SEEKING SUPPORT:

If you need any support. speak to your teacher about any help that is available. You can seek support from your peers via Classroom or other group platform used in your subjects. Remember - all lessons will be recorded for you to review and you can access these recordings within 48 hours of your lesson.
