

SUMMER TASK

MEDIA

In preparation for year one, you have some work to do over the summer.

TASK 1: LOOK DOWN

- Take a range of images of anything on the floor, think about composition & objects . This can be done with a camera or your mobile phone.
- Make a contact sheet of your images (use google docs)
- Submit your work

TASK 2: PHOTO ESSAY

- Research "Photo essay" Produce a written description and also look at some examples. Include that information Below (Paragraph - NOT COPY & PASTE at least 200 words - AT LEAST THREE examples of photo essays, on different subjects, by different photographers)
- Plan your essay, what is the subject, where will you shoot. Include a couple of lines to explain your project.
- Shoot your images - AT LEAST 24 images, shot on any device, but you MUST be able to access them in college.
- Submit your work
- EXTENSION TASK- If you have enough time, shoot the images for another essay.

What is a Photo Essay?

TASK 3: NATURE

- Research: Produce a mood board of nature images, this should give you an idea of the types of photographs you could produce and the types of composition.
- Plan: where can you go and take pictures? This could be your garden, a local park or just on the street.
- Shoot: Go out and take 24 images that you would class as nature photography (Colour)
- Edit: Make a contact sheet of all your images.
- Submit your work
