

SUMMER TASK

PSYCHOLOGY

In preparation for year one, you have some work to do over the summer.

TASK 1:

Create a mind map summary of the different approaches within psychology:

- Behaviourism
- Social learning theory
- Cognitive
- Biological
- Psychodynamic
- Humanism

TASK 2:

Research and create a document/presentation explaining these key studies:

Zimbardo- https://www.youtube.com/watch?v=L_LKzEqIPto&t=1s

Milgram- <https://www.youtube.com/watch?v=mOUEC5YXV8U>

1 document/presentation for each
